## Workshop Synopsis:

*Total film running time: Approx 60 minutes, depending on Q&A*

Greeting and introduction

Meesha Makes Friends story reading

Stories: What does the text create in your mind?  
Using photos what is going on in the picture?

Character Creation: Using pictures of characters we know and don't know we will talk about what their traits might be and what we might call them. We'll think about character names and what they might look like.

Drawing a character: Some simple tips on developing a character through illustration

Settings Introduction: We'll look at pictures of locations and settings and talk about these places and think about similes and metaphorical language.

We will listen to some soundscapes and discuss our thoughts and feelings. Thinking about places we know well and how they make us feel and how we can convey these emotions to a reader.

Plot Structure: We will build our story arc by introducing our character, our location and then establish a problem for the character and work out how to solve the problem and wrap up the story in a satisfying way.
